R.E. Minutes From Meeting

Mike Klink opened the meeting at 7:05pm with 3 members in attendance along with Fulvia Fowler our faculty liaison.

We do not have a definite dollar amount for our treasury report but it appears that this school year we have raised about \$3800. We still have a few graduation related expenses in the Baccalaureate Mass and Senior Breakfast.

Fulvia discussed the new House System and stated that the individual Houses may be responsible for some of the events we have traditionally handled- for example Homecoming. The Parent Association may be helping by supplementing the various Houses in their projects. More details as they become available.
