IN SEARCH OF DRAMA HISTORY

Those who attend our dramatic performances know the program contains a history of our dramatic productions. Since Diocesan schools did not have a yearbook prior to 1981, we are missing some years. Please spread the word to those you may know who were involved with dramatic productions that we are looking for information about shows produced from the 1966-'67 school year through 1971-'72.

DONOR ADVISED FUNDS

The Catholic Foundation published a concise article for individuals concerned with tax planning, as they often include charitable giving as an important element of their planning strategies. You can find it HERE.

EVENING OF EXCELLENCE

Planning is underway for the 28th annual Evening of Excellence. This year's event will be April 13, 2019. If you're interested in getting involved, there's a new, flexible way to support this event: join our Host Committee!

- Share posts on Social Media.
- Organize attendee tables.
- Talk about the event within your circle of parents, alumni and friends.
- Assist with Live Auction spotting the night of the event. Spotters are strategically placed throughout the Live Auction and call attention to bids the auctioneer may not see. They are responsible for recording final bid amounts along with bid numbers.
- Coordinate Premium Table services.
- Share gifts and talents relevant to the Evening of Excellence.
- Make event attendees feel welcome and included.

Look for the next Herald on Thursday, November 15!
