SENIORS MUST TURN IN DOCUMENTATION

All students entering the twelfth grade are required by state law to be fully immunized against Meningitis. To be fully immunized students must have 2 doses of the vaccine, but if a dose is received on or after the 16th birthday, only one dose is required.

Documentation verifying that the immunization has been given is required for school attendance and must be submitted to the school nurse prior to entering the twelfth grade. If you have not submitted this documentation, you must do so by September 13, or your child will be excluded from school.

If you have questions or if you are unsure if your student has been fully immunized, contact school nurse, Regina Hinterschied, or your health care provider.

ANNUAL HOUSE TAILGATE

The annual House Tailgate celebration will be Friday, September 13, 2019 before the football game against Gahanna. The event takes place from 5:30-6:30 to allow for cleanup before game time. We will need both donations and volunteers to help with set-up beginning after school. [Sign up to help!](#)

The chili cook-off returns this year. Each House is limited to 4 chili contenders and will select 1 to enter in the competition. House Points are up for grabs!

Be sure to watch for our new chili cook-off mascot coming soon!

BISHOP HARTLEY DEDICATES WRESTLING FACILITY

Bishop Hartley High School dedicated the new Doug Blubaugh Wrestling Facility by the Kevin and Connie Walsh Family, Saturday, August 24. Monsignor David Funk blessed the new facility which is named in honor of Olympic champion wrestler Douglas Morlan Blubaugh, inspiration to 1980 Bishop Hartley alumnus Kevin Walsh. Walsh together with his wife, Connie and their family were the primary donors for the facility. They and the Hartley community have dedicated the facility to Blubaugh, a man known for his humility and to a program which shows great passion and dedication.

In addition to the Walsh Family and Coach Kevin Petrella, Olympic silver medalist and former Ohio State University head wrestling coach Russ Hellickson attended the ceremony and shared words of inspiration during the dedication ceremony.

Bishop Hartley is grateful to the Walsh Family, and we look forward to seeing champion wrestlers in our future. Go, Hawks!

STUDENTS TO BEGIN USING X2VOL

New this year!

Bishop Hartley High School has partnered with The Catholic Foundation to roll out x2VOL!

Students graduate from Bishop Hartley High School with a credit in leadership. Hartley facilitates this through a curriculum focused on servant leadership and a requirement that each student provide 25 hours of service to our community annually. Many students far exceed that goal, with our school student body of 700 performing an average of 39 hours of service to our community — that is well over 27,000 hours per year. Hartley hosts service fairs to connect students with opportunities. And, we previously kept track of hours on paper. To help manage our service program this year, we will use X2Vol, a community service and service learning platform.

We expect to efficiently and effectively communicate opportunities for our students to serve the community. This project will allow us to decrease the amount of time and energy put toward tracking and documentation while increasing time for mentoring students and fostering their passion for service. With respect to care for our common home, this project will also allow us to eliminate thousands of paper forms each year. We will also be able to connect students with more opportunities per the functionality of this platform. Lastly, this program also allows us to print service transcripts for college applications.

Please note that if you make an annual pledge to United Way, you can direct your gift to Bishop Hartley High School. Spread the word!

ZACOVIC ACHIEVES EAGLE RANK

Junior Liam Zacovic recently achieved the rank of Eagle Scout in June of this year. Eagle is the highest rank in the Boy Scouting program. His Eagle Scout Project was completed between August and October of 2018. He led a team of boy scouts in designing and building a series of 8 park benches to go around a new concrete patio at St Pius X church beside the new Parish Family Center. He used some of the funds to purchase a gas grill which his team assembled.

Liam secured funding for the project by organizing a team of St. Pius youth group members and Boy Scout Troop 279 volunteers to assist with a bake sale held after all St. Pius Masses over the course of a weekend during the summer of 2018.

Liam is currently serving as the Senior Patrol Leader of Boy Scout Troop 279.
