ANNUAL HOUSE TAILGATE

The annual House Tailgate celebration will be Friday, September 13, 2019 before the football game against Gahanna. The event takes place from 5:30-6:30 to allow for cleanup before game time. We will need both donations and volunteers to help with set-up beginning after school. Sign up to help!

The chili cook-off returns this year! Each House is limited to 4 chili contenders and will select 1 to enter in the competition. House Points are up for grabs!

Be sure to watch for our new chili cook-off r

FAREWELL & WELCOME

As we begin this new school year, we say "so long" to some members of our Hartley family and welcome others. Mrs. Jenny Assmann, who has filled many roles during her years at Hartley, has left to pursue a career in real estate. Kevin Petrella, math teacher and technology team member will be pursuing a career in the construction industry but will remain as our head wrestling coach. Zoe Stuber, our Title I math tutor last year, has taken a teaching position at Blessed Sacrament School in Newark. We wish all of them well and look forward to visits.

We are excited to welcome and welcome back the following members of our Bishop Hartley Family:

Mrs. Linda Eplin – Mathematics
Mr. David Gieseler – Performing Arts
Mr. Michael Krause – Mathematics
Mr. Marcus Phelps – Health & Physical Education
Miss Charlotte Price – Notre Dame Program
Mr. Joseph Reveles – Religion
Mrs. Paula Tatera – Title I Math
Mrs. Monica Van Horn – Visual Arts
Mr. John Wareham – Advancement Office (Communications)
Mr. Chuck Wooten - Tutor/Mentor

PRAYERS FOR BOB GROVE

We continue to pray for former science teacher, Bob Grove, who retired at the end of the 2017-2018 school year. Mr. Grove has been undergoing treatment for leukemia and underwent a bone marrow transplant last week. We pray for his healing and for his caregivers.

SEAL OF BILITERACY

Graduating seniors in the state of Ohio can now qualify for the Seal of Biliteracy which recognizes high levels of proficiency in both English and another language. Students must meet state-established guidelines to receive this recognition. Five members of the class of 2019 received this distinction. They are pictured here with World Language Department teachers: (from left to right) Mrs. Anna Mullins (Spanish teacher), Bailee Zacovic, Tiffiney Nouanesengsy, Daniel Barrera Corrales, Abril Matias Bello, Maria Polanco, Miss Julia Schroyer (Spanish teacher), and Mrs. Fulvia Fowler (Italian teacher and World Language team leader).

X2VOL

New this year! Bishop Hartley High School has partnered with The Catholic Foundation to roll out x2VOL!

Students graduate from Bishop Hartley High School with a credit in leadership. Hartley facilitates this through a curriculum focused on servant leadership and a requirement that each student provide 25 hours of service to our community annually. Many students far exceed that goal, with our school student body of 700 performing an average of 39 hours of service to our community — that is well over 27,000 hours per year. Hartley hosts service fairs to connect students with opportunities. And, we previously kept track of hours on paper.

To help manage our service program this year, we will use X2Vol, a community service and service learning platform.

We expect to efficiently and effectively communicate opportunities for our students to serve the community. This project will allow us to decrease the amount of time and energy put toward tracking and documentation and increase time mentoring students and fostering their passion for service. With respect to care for our common home, this project will also allow us to eliminate thousands of paper forms each year. We will also be able to connect students with more opportunities per the functionality of this platform. Lastly, this program also allows us to print service transcripts for college applications.

UNITED WAY PLEDGES

If you make an annual pledge to United Way, you can direct your gift to Bishop Hartley High School.

BINGO

After more than 40 years of hosting bingo at Bishop Hartley, the Finance Committee and Administration have made the difficult decision to discontinue bingo at Bishop Hartley High School. We would like to thank Jim and Kate Hansen, Tom Liskay, Helen Cox and the many volunteers who have dedicated their time and talents to running a great bingo game at Bishop Hartley.

We would also like to thank our patrons for their loyalty to Bishop Hartley bingo. Bishop Hartley has become a very desirable location for Diocesan events, spiritually, academically, and athletically. Even with the addition of the Robert Telerski & Barbara Casson Student Center, our main gym is in high demand, and as a result, this decision was made.

Alumni News

BLUBAUGH WRESTLING FACILITY

Bishop Hartley High School dedicated the new Doug Blubaugh Wrestling Facility by the Kevin and Connie Walsh Family, Saturday, August 24. Monsignor David Funk blessed the new facility which is named in honor of Olympic champion wrestler Douglas Morlan Blubaugh, inspiration to 1980 Bishop Hartley alumnus Kevin Walsh. Walsh together with his wife, Connie and their family were the primary donors for the facility. They and the Hartley community have dedicated the facility to Blubaugh, a man known for his humility and to a program which shows great passion and dedication.

In addition to the Walsh Family and Coach Kevin Petrella, Olympic silver medalist and former Ohio State University head wrestling coach Russ Hellickson attended the ceremony and shared words of inspiration during the dedication ceremony.

Bishop Hartley is grateful to the Walsh Family, and we look forward to seeing champion wrestlers in our future. Go, Hawks!
