NATIONAL MERIT NAMES SCHOLARS

We are pleased to announce that senior, Asya Saelim-Ector has been named a Semifinalist by the National Merit Scholarship Program; seniors Elyse Amorati and Gabrielle Tanner have been named Commended Students.

Semifinalists continue in the competition for some 7500 National Merit Scholarships worth more than \$32 million. Approximately 90 percent of the Semifinalists are expected to attain Finalist standing, and approximately half of the Finalists will win a National Merit Scholarship, earning the title Merit Scholar®.

Approximately 1.6 million juniors in more than 22,000 high schools qualified for the National Merit Scholarship Program by taking the 2018 Preliminary SAT/National Merit Scholarship Qualifying test (PSAT/NMSQT), which served as an initial screen of program entrants. The Semifinalists represent less than one percent of U.S. high school seniors and include the highest scoring entrants in each state.

About 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Commended Students placed among the top five percent of more than 1.6 million students who entered the 2019 competition.

Journey of Hope

On Friday, October 18, junior and senior students at Bishop Hartley had the opportunity to hear from several members of the Ohio Journey of Hope: From Violence to Healing group. The group is led by family members of murder victims who spread the message that the death penalty is not the way to bring the healing victims' families need. The event was one of several activities for students to raise awareness during October Right to Life Month.

BHHS PARTICIPATES IN #GIVINGTUESDAY

GivingTuesday takes place annually the Tuesday after Thanksgiving, this year on December 3, 2019. GivingTuesday is a global giving movement that has been built by individuals, families, organizations, businesses and communities in all 50 states and in countries around the world. GivingTuesday harnesses the collective power of a unique blend of partners to transform how people think about, talk about, and participate in the giving season. It inspires people to take collective action to improve their communities, give back in better, smarter ways to the charities and causes they believe in, and help create a better world. GivingTuesday demonstrates how every act of generosity counts, and that they mean even more when we give together. New This Year: Please honor a Hartley faculty member, coach or staff member who made an impact in your life or on your Hartley experience with your gift. Honorees will be recognized after GivingTuesday. Follow us on [Facebook](#), [Instagram](#) and/or [Twitter](#) to stay up-to-date.
