WELCOME BRENDA MURDOCK AS THE NEW DIRECTOR OF ENGAGEMENT

Brenda Murdock became Director of Engagement for Bishop Hartley High School in January 2020. She enjoys the opportunity to share her passion, purpose and servant heart with both the Hartley Community as well as the wider Catholic community.

With over 20 years of leadership experience in business development and sales for several entrepreneurial companies, Brenda most recently worked as Sales Director in North America at Thirty-One corporate headquarters in sales field development. Brenda understands and appreciates the value of building long term relationships and serving others.

A product of Catholic Schools herself, Brenda served as a member on the Board of Catholic Social Services from 2007 through 2011, where she focused on fundraising development. Brenda began her nonprofit journey in 2010 at OCLC, global library cooperative organization that provides data technology and research services. At OCLC, Brenda chaired the Mid-Ohio Food Bank committee.

As a parent of two sons in Catholic Schools, she served on the school advisory board for three years at St. Matthew in Gahanna. Brenda enjoys volunteering at the Holy Family soup kitchen, Ronald McDonald House, Salvation Army and LifeTown. Other service includes being a committee chair member and religious coordinator for Boy Scouts for 11 years, a Eucharistic Minister serving the sick and homebound at both St. Matthew Catholic Church and Church of Ascension. In her spare time, she enjoys volunteering, traveling, spending time outdoors, cycling, kayaking, fitness and quality time with her family.

Brenda looks forward to developing relationships and meeting members of the Bishop Hartley community as she works on development projects and more.

MENINGITIS VACCINE REQUIRED FOR CLASS OF 2021

This is a reminder that all students entering the twelfth grade are required by state law to be fully immunized against Meningitis. To be fully immunized students must have 2 doses of the vaccine, but if a dose is received on or after the sixteenth birthday, only one dose is required. If you have questions or if you are unsure if your student has been fully immunized, contact me or your health care provider.

Documentation verifying that the immunization has been given is required for school attendance and must be submitted to the school nurse prior to entering the twelfth grade.

Thank you for your prompt attention to this important health matter.

Regina Hinterschied RN, BSN, School Nurse

HONORS BIO CLASSES CREATE MUSEUM

Ms. Logsdon's Honors Biology classes researched important events and organisms from the evolutionary history of life on Earth and created 3-D exhibits to display in the Hartley Museum of Natural History. Projects were on display in D-wing throughout last week for all to see and learn from.

NHS BOOK DRIVE UPDATE

The National Honor Society would like to thank all those who donated to the book drive to benefit Nationwide Children's Hospital. Members will soon deliver almost 600 books to be used in various areas of the hospital and Close to Home locations.

USED UNIFORM SALE

Many people have expressed an interest in bringing back a used uniform sale. The House Parent Organization (HPO) is looking into this possibility, but we are in need of people who are willing to organize and staff it. If you are interested, please email either Molly Maloof at mmaloof@cdueducation.org or HPO Coordinator, Becky Smith at bhshousepo@gmail.com.

HPO MOM'S NIGHT OUT - SAVE THE DATE

The House Parent Organization is bringing back its Ladies Night Out. Put March 12th on your calendar, and save the date! Details to come in future Heralds.
