

Columbus State Community College Scholarships

Summer Jump-Start Award and Momentum Award

Students who earned at least two College Credit Plus (CCP) credits with Columbus State this academic year will be automatically awarded a **Summer Jump-Start Award**, which **covers tuition and fees up to \$500 for the summer 2020 term**.

There is no application or essay to submit. In order to take advantage of the Summer Jump-Start Award, all a student needs to do is take at least one course in an eligible program of study at Columbus State this summer.

The Summer Jump-Start Award is in addition to the \$1,000 [Momentum Award](#) they will receive for Autumn Semester & Spring Semester tuition and fees.

Combined, this equals \$1,500 in financial aid awards to cover tuition and fees beginning Summer Semester, which is about 1/3 the annual full-time tuition at Columbus State.

For more information, students should check their Columbus State email account, including information on how to view it in our web portal, [CougarWeb](#).

Additional Scholarships

Columbus State also has numerous additional scholarships available; **some will cover the full cost of tuition**. If you're planning on attending CSCC please, for the love of everything, check them out here: <https://www.csc.edu/services/financial-aid/types-of-aid/scholarships.shtml>
