Test optional: The submission of ACT or SAT scores is optional for most applicants to the Columbus campus for the 2022 spring, summer or autumn semesters. Applicants are encouraged to submit test scores if they feel their scores reflect their academic abilities. The last test dates that will meet our early action deadline are October 2 (ACT) and October 23 (SAT). Learn more: <http://undergrad.osu.edu/apply>

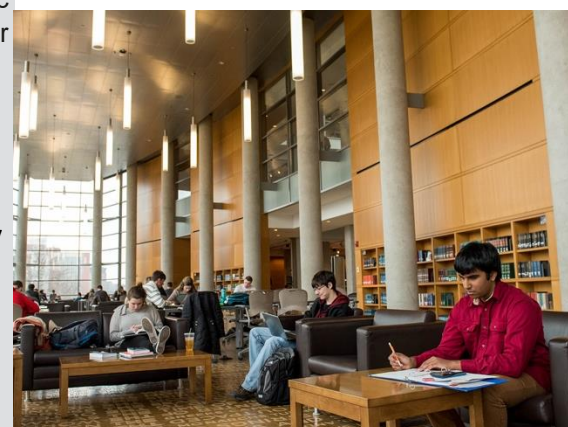

Early action application deadline: Our early action deadline for autumn 2022 is November 1. Applying by November 1 is recommended for students interested in most university merit scholarships, Honors & Scholars, the Morrill Scholarship Program, and majors within the College of Engineering. Our regular decision application deadline is February 1, 2021.

Scholarships and financial aid: Maximus, Provost and Trustees Scholarships have award amounts that range from \$1,000-\$3,000 (\$4,000-\$12,000 four year value). Those considered are Ohio residents who are highly competitive as demonstrated by GPA, class rank (if available), and ACT or SAT scores (if available). Awards are competitive and not guaranteed.

The Alumni Scholars Program, ScholarshipUniverse (OSU-specific and external scholarships available) and the Free Application for Federal Student Aid have a deadline of February 1, 2021. Learn more: <http://undergrad.osu.edu/cost-and-aid>
