### BISHOP HARTLEY ALUMNI MAGAZINE

The mission of the Alumni Magazine is to engage alumni, ignite school pride, and showcase the accomplishments of our community.

### a Letter from the Principal

Dear Bishop Hartley Alumnae and Alumni:

We hope this issue of *The Hawkeye* finds you well. We are pleased to be able to expand our production of this alumni magazine to two issues per year which enable us to share more of the news about our community.

As you read this, 175 members of the Class of 2022 have joined your ranks. We welcome them to the alumni community. Many of the accomplishments of the class are featured in this issue. They are an impressive group, and we know they will accomplish great things.

In this issue, we also introduce a new feature with our "4 for 40 – Year 5." For many years, we have given Bishop Hartley students the 4 for 40 promise: Give us four years as a student, and we'll set you on the path for the next forty. We reached out to members of the Class of 2017 to see how they are doing five years after graduation. They are well on their way, and we hope you enjoy reading about their accomplishments thus far.

L to R: Dr. Patricia Hanna, Mr. Christopher Kowalski, and Mr. Andrew Jahahn

If there is anything we can do to help you, please do not hesitate to contact me; Vice Principal of Operations, Andrew Jahahn, 2004; or Vice Principal of Academics and Student Services, Dr. Patricia Hanna.

Do not forget to contact Alumni Coordinator, Shelly Dunkle Skelly, '85, with any news you may have to share with our community or help with reunion planning. We truly look forward to hearing from you and sharing your news with our community.

Sincerely,

Christopher Kowalski

Principal

#### Our Mission

Transforming lives through the teachings of Jesus Christ within the Catholic tradition.

#### Belief Statements

As a school of Faith, Preparation, Community, Service, Spirit, and Leadership, we believe:

- 1. Jesus Christ and the Gospel message are central to all phases of the learning process.
- 2. Creativity, problem-solving, and critical thinking skills are at the core of our challenging expectations for students.
- 3. The Bishop Hartley community of students, parents, staff, and administrators are responsible for advancing our mission.
- 4. A Bishop Hartley education produces graduates who are prepared to make informed and ethical decisions and to take moral action.
- A holistic school experience teaches students to be thoughtful mentors and servant leaders.
- 6. It is essential to our mission to recognize and celebrate diversity while holding all students to the same high standards of achievement and behavior.

Mark your calendar with the following!

### From the Alumni Office

Dear Alumnae and Alumni:

As this school year ends, we have much to be grateful for. I would like to thank all of you who have reached out, come to a school tour, attended an alumni or school event, or supported our school. You have made our job easy; thank you! This year we will be welcoming 175 graduates of the class of 2022 as new alumni members. I cannot wait to see how these forever Hawks spread their wings to find heights unbounded.

I really hope you enjoy the 19th issue of the *Hawkeye*. We had a great time collecting articles to share with our Hartley community. Thank you to those who have taken the time to share updates and pictures. Keep sending updates our way.

In this issue of the *Hawkeye*, we share photos and stories we hope will strengthen your connections to your classmates, fellow alumni, and our community. We are looking forward to reconnecting with alumni at class reunions and school tours this summer and fall. Be sure to check out our alumni web page for details. The classes of 1972, 1982 and 1987 have reunions scheduled. If your class is celebrating a milestone reunion year and hasn't scheduled your reunion, please reach out; I will be happy to assist you.

We are excited to welcome a new group to our athletic Hall of Fame; Laurie Fetters Chilicki Class of 1995, Sam Davis (Coach) 1988–1991, Joe Ramsey (Coach) 1976–1995, and the 2010 Football Team. We are equally excited to announce this year's Hall of Distinction inductee, Maureen Ritchey, class of 2001. Congratulations to all!

I would be remiss not to express our appreciation and gratitude to all our alumni who have made contributions to our Annual Fund. I would also like to thank any alumni who sponsored, donated, or attended the Evening of Excellence. We had an incredibly successful event; WOW! We aren't done! I personally invite you to attend our Golf Outing in August. Don't golf? We'd love to have your volunteer help.

To whom much is given, much will be required (Luke 12:48). We are blessed to have so many alumni who are willing to contribute their time, talent, and treasure, THANK YOU!

Please visit our alumni webpage to stay connected with Hartley. I encourage you to continue to send your stories, your accomplishments, and your achievements. We love our alumni and love sharing and celebrating you. You are amazing!

Forever a HAWK!

Thelf Stelly

# Alumni Spotlight - Matt Barnes

We love to stay in touch with Hartley alumni, and hear all of the amazing things they are doing! Just recently, our Vice Principal of Operations, Andrew Jahahn, sat down with Matt Barnes, Class of 2004. Read below and watch the interview to see what Matt has been up to in his anchor role at NBC4!

1. When was the first moment you knew you wanted to work in television on air?

I don't know if there was an exact moment but as far back as I can remember, I wanted to do it. First, as the host of the Price is Right but around 8 years old, the dream changed to working for ESPN as a sports broadcaster. But working in Columbus was always a goal as well.

2. What is your favorite memory as a Bishop Hartley Hawk?

I have a lot of them but some of my favorite moments were being together as a class, whether it be building our homecoming float or being in The Pit rooting for our teams. We just had a great class with a variety of personalities that got along and had lots of fun.

3. You have covered two Olympics in the past year. What event has been your favorite to cover in your career and what event would you like to do that you have not done yet?

No doubt, covering the Olympics was a bucket list item for me in my broadcasting career. And despite COVID restrictions, it lived up to my expectations in being an incredible event. Covering the Masters was also an unreal experience, having watched that tournament for most of my life. The next event I would love to cover is a Democratic and/or Republican National Convention or a World Cup.

4. Who has been the most influential force in your life?

No doubt, my parents and sister. They set the foundation for me to be who I am and taught me so many lessons about how to be a man and citizen of the community. But also, I have so many friends who have inspired me, pushed me, and supported me through the years.

5. You are a large presence in the Columbus community serving a lot of organizations such Big Brothers Big Sister, your own church and the Bishop Hartley community. Why is important to you to give back and serve?

It's something that has always been instilled in me since I was young. Making sure to give back to those less fortunate and to do your part to make your community and city a better place. If we want to see change in the world, be the change. Be someone that makes a difference and is a force for good. And hopefully, if you lead, others will follow.

6. It has been 18 years since you have graduated and you are about halfway through the legendary 4 for 40, what would you say is the most important lesson(s) you have learned since high school?

Being willing to step outside of your comfort zone and being respectful of others. We're all different people with different beliefs but we can all learn from each other. And that sense of community that I saw at Bishop Hartley is one that I carry with me to this day. It's not always comfortable but it will allow for personal growth.

# 4 for 40 - the 5-year update!

Curious how the 4 for 40 promise is holding up? So were we!

We reached out to our 2017 graduates to hear what they are up to!

Here's what we heard back.

# 4 for 40 - the 5-year update!

Margaret (Maggie) Hearns will graduate from an accelerated Speech-Language Pathology program with a Master's Degree from Nazareth College. She has accepted a job at an early intervention center servicing children with severe medical diagnoses and will stay in Rochester, NY.

Ryan Henne followed in the shoes of his baseball coach, Chris Sawyer, and attended Capital University. He completed his undergrad degree in 2021, having been named academic all-conference 3 times and starting at shortstop senior year. Ryan is an assistant coach (coaching 3rd base & infielders) and is working on his master's degree through the University of Dayton - Dublin Branch. Ryan is working toward becoming a School Counselor and hopes to become a head coach at the high school level. After an internship next year at Lancaster Schools, Ryan hopes there is an opening at his Alma Mater, Bishop Hartley in the near future!

Michael Fleischer is living downtown near COSI, in a nice apartment with plenty of plants (an avid rare plant collector). He and his partner have an adorable 1.5 year-old golden retriever puppy named Leia and are both big runners. He will graduate from OSU with a BS in Chemistry having done organic synthesis research for myeloma drug development for four years. He has been accepted to Lake Eerie College of Osteopathic Medicine for my PharmD but is considering an MBA to do some sort of chemical consultant work. He has also been working in real estate for four years now as well and is pursuing licensing with the hope to be a licensed agent by the end of the summer.

Katie Elliott graduated from the Air Force Academy in May of 2021 with a B.S. in Behavioral Sciences. She is a Logistics Readiness Officer in the Air Force with the rank of Second Lieutenant. She is stationed at Peterson Space Force Base in Colorado Springs, CO and leads a team of 36 people, some of whom are enlisted military members, and some are civilians. She has been able to travel a lot and is really enjoying her job. Katie bought a townhouse in December 2021. Classmate Lindsey Craft, her roommate, worked at the Cheyenne Mountain Zoo, but is transitioning into a new job at Catholic Charities.

Adam Cone is in his last year of pharmacy school. He will spend the next year working for multiple different communities/patients before taking his boards (also known as the NAPLEX) next June. He will be traveling all over the country including Montana, Alaska, West Virginia, and Kentucky. These rotations are the last step before achieving his PharmD. After graduation he will be in a residency program somewhere; the two leading candidates are hospitals in Georgia/West Virginia.

**Bryce Twente** graduated The University of Akron Spring '21 and now works for OhioHealth where he does personal training, group training, injury prevention/rehab exercise for Paramedics.

# 4 for 40 - the 5-year update!

**Cody Kirkbride** is living in Charlotte NC and has a job at Newmark. He says that Bishop Hartley has been critical to his growth and development as a professional.

Elias Maloof graduated Phi Beta Kappa from Miami University in May 2021 with a degree in biochemistry and a nutrition minor. He just finished his first year of medical school at The Ohio State University and received a research scholarship to work on a project at Nationwide Children's Hospital this summer. Elias also serves as treasurer for the OSU chapter of Phi Delta Epsilon, the international medical fraternity. He rode the 100-mile Pelotonia Bike Ride to raise funds for cancer research at the OSU James Cancer center last year and will ride again this August as a member of the BSR - Spin Doctors group from OSU.

Cameron Mertz graduated from Miami University in December of 2020 with a degree in Microbiology. He just finished his first year as a medical student at Wright State University Boonshoft School of Medicine. He was also married in the summer of 2021.

Carly Archambeau wants to send a huge thank you to her teachers at Bishop Hartley who prepared her so well to embark on her rigorous post-high school academic journey. She graduated in May 2021 from The Ohio State University with honors in both her Bachelor of Science (Health Sciences) and an Associates (Arts) degree. She is currently attending University of Dayton in the Doctor of Physical Therapy program; becoming a physical therapist has been her dream career since grade school. She says it is exciting and challenging to journey through her first year of PT school, but God has placed her in an incredible environment with supporting faculty and classmates to achieve her career goal. One year down; two to go!

Thomas Casimir graduated from The Ohio State Highway Patrol in January 2022. He is posted at the Granville Highway Patrol Post on SR 16 and Outville Road and patrols Licking County and Franklin County. He graduated with an associate's degree in History from The Ohio State University.

### Alumni Updates

Judge Kimberly Cocroft, 1991, serves as a Franklin County Municipal Court Judge. She has generously given time to speak with all of our freshmen and sophomore students about appropriate use of cell phones and social media. The presentation was titled "Social Media, Sexting, and Students: When doing what feels right goes wrong." The purpose of the presentation was to discuss with the students the perils, pitfalls, and potential penalties, both practical and legal, of using social media and cell phones irresponsibly. (PICTURED, RIGHT)

**Gregory Reissland, 1992,** moved to Clearwater, Florida in 2020 and is in his second year of teaching junior high social studies and religion at Bishop Larkin Catholic School in Port Richey, Florida.

Jeffrey Bartos, 1997, is married to Nicole. They have 2 children, Isabel (7), and Isaac (5). He ran his 5th marathon - the Denver Colfax, in 2:58:30. He works at Maxar Inc, helping drive development of ground system software used to command and control the spacecraft - within operations.

Margaret Ann (Albrecht) Merrill, 1998, is second generation Hawk. Her Dad Robert Albrecht graduated in 1962 and her daughter Monica is a current student, class of 2024. Margaret Ann cheered at Hartley and now Monica is. She also cheered at University of Dayton, where she met her husband, Andy. (PICTURED, RIGHT)

Rachel Erlinger, 2013, is marrying a St. Charles grad in 2022. (PICTURED, RIGHT)

Cameron Hart, 2015, started his professional career of track and field in fall of 2019 after a 4-year career at Eastern Michigan University. During his time there, he was able to win two team conference championships and one individual conference title in the high jump. He currently holds the 4th highest indoor high jump in school history at 7'1.75". He lives and trains in Michigan at his alma mater with his college coach, Sterling Roberts. Cameron currently trains with two 2021 Olympians in the triple jump: Donald Scott, a fellow EMU Alum and Michigan State Alum, Tori Franklin. He also coaches at EMU, helping to push a talented group of jumpers toward their goals day in and day out. Cameron says he has been fortunate enough to win two team conference titles as a coach at EMU. He recently competed at my first U.S. Indoor National Championships in Spokane, WA where he placed 10th in a field filled with Olympians, a world champion, national champions, etc. Cameron continues to train hard and looks forward to what this coming outdoor season has to bring! Lastly, Cameron says he would be nothing without his faith, family, and his incredible support system in his friends, his Hartley family, and his community. He hopes that he continues to make you all proud! We have no doubt that he will!

Maddy Schafhausen, 2020, is a second year Engineering student at The Ohio State University. She has held Architectural Engineering internships with the Diocese of Columbus and Corna-Kokosing Construction Company.

#### Our Hawks continued to soar in athletics this school year.

#### Check <u>past issues</u> of the Hawkeye for updates on this school year's Fall sports!

The Hawks swim team had a strong showing at districts this season, with Chloe Albrecht, Abby Dinardo, Ava Dyer, Mackenzie Frizzell, Grace Goodwin, Allie Gunsorek, Sophia Sammler, Stuart Landry, Jordan Madry, Nathan Ogden, and William Sheridan receiving All-District recognition.

Abby Dinardo's 100 breaststroke, Ava Dyer's 500 freestyle, and our girls' 400 freestyle relay (Ava Dyer, Grace Goodwin, Allie Gunsorek, Mackenzie Frizzell) were our top-placing swims, all narrowly missing the state finals.

Our boys also had great Sectional and District meets, swimming personal best times in every single event.

Softball Hawks improve this year to 8-15 overall and 3-3 in the CCL. Next year, the young team will be on the hunt for their first CCL title since 2016. Sophomore Ava McKee, Freshmen Anaya Bumpus and Gianna Solinger received All-District and All-League honors; Senior Riley Mann, Juniors Becca LeMay, and Reese Beatty received All-League honors; and, Senior Riley Mann, Juniors Becca LeMay and Rachel Thompson receive OHSFSCA Academic All-Ohio Award

Boys Track Season Highlights include 7 Individual/Relay CCL Champions and 2 District Champions, 9 Regional Qualifiers.

The cheerleading program had an eventful winter season! Our game day competition team competed at the first ever OHSAA Cheerleading State Championships and placed third in the state! We also enjoyed cheering on the boys' basketball teams, and for the first time, we also cheered for the women's basketball teams! It was so exciting to cheer the women's team on in their tremendous post-season. We also celebrated our incredible basketball cheerleading seniors on senior night! Hartley Cheer is already practicing for our 2022-2023 season with our largest team yet! Hartley Cheer Alumni should reach out to head coach, Jenn (Danver) Steiner, 2000, to be added to our distribution to receive information regarding alumni nights, homecoming, and other events! Go Hawks!

The girls' basketball team finished as 2021-22 District and Regional Champions, which earned them a trip to the State Final Four.

Wrestlers had qualifiers at both the district and state levels. Two wrestlers placed in the State Meet, and two earned All-American status; Dylan Newsome and Aiden King.

The 2022 baseball season was a great success. The Hawks were District and Regional Champions, advancing to the State Tournament for the first time since 1996. The season was highlighted by great senior leadership from our 9 seniors, who brought the team together to play their best baseball during tournament time. The team will look to continue to build on this success as we head into 2023.

#### The following athletes were named All Ohio during 2021-2022:

- Ella Brandewie 1st Team Volleyball
- Emmett Gillies 2nd Team Soccer
- Karli Barringer 2nd Team Soccer
- Trev Saunders 1st Team Football
- Daniel Tooson 1st Team Football
- Dylan Newsome 3rd Team Football

#### Alumni Lacrosse Players Compete in NCAA Tournament

Congratulations to alumni members of our women's lacrosse program, Katie Page, 2017, assistant coach Kaela Smith, 2012, and Lucy Kanowski, 2018 who were part of the Capital University team which recently won the OAC championship and earned a bid to compete in the Division III NCAA Tournament.

#### Athletic Hall of Fame Class of 2020

Bishop Hartley High School recognized the 2020 Athletics Hall of Fame Class on April 30, 2022. The 7th class includes Coach Sam Davis, Coach Joe Ramsey, Laurie Fetters Chiliki, 1995, and the 2010 State Champion Football Team.

Sam Davis served as head basketball coach of the Hawks from 1988-1991. Coach Davis is a recognized and storied high school basketball coach across the state of Ohio with over 40 years on the sidelines and over 500 victories, with his banner season at Hartley in 1990 when he led the Hawks to their second regional championship and a trip to the state semi-finals.

Laurie Fetters Chilicki 1995 was a standout in Hawks Softball. A four time All Central Catholic League performer, Laurie was named to the All-Ohio Softball team in 1993 and 1994 and was named 1st Team All Ohio in 1995

Coach Joe Ramsey coached several sports at Bishop Hartley. A trusted and irreplaceable assistant on the 1986 state championship football team, Coach Ramsey served as Boys' Head Track Coach, leading the Hawks to six regional championships as well as OHSAA State Championships in 1985, 1986, and 1991.

The 2010 Football Hawks won the state championship with a 13-2 record. With dramatic playoff victories over Heath, Ironton and Archbishop Alter, Hartley secured the OHSAA State Title with a championship victory over Chagrin Falls in Massillon, Ohio.

The Bishop Hartley Athletics Hall of Fame with the inaugural class in 2014. All Inductees are memorialized at the Hall of Fame Plaza inside Jack Ryan Field.

# From Athletics - Coaching Updates

Bishop Hartley welcomes Andreas James as the new head coach for the men's basketball program. A member of the eastside community, Coach James has experience at the grade school, high school, and college levels. He comes to us from Grace Christian School and has trained with our women's program and served as an assistant to the men's team. James said, "I am looking forward to lading and serving the Bishop Hartley students and athletes in this coaching role. I'm grateful to the Hartley administration for seeing the value I bring, and I'm excited for the opportunity!"

Hartley also welcomes Thai Trinh as Girls' Soccer Head Coach. A 2004 graduate of Bishop Hartley, Dr. Trinh spent the last 8 years as an assistant coach for both boys' and girls' soccer at Hartley.

"Coming off of two District Championships, I am honored to have the opportunity to continue and add to the tradition that is Bishop Hartley Girls' Soccer," Dr. Trinh shared.

New to the role of Boys' Golf Head Coach, we welcome Anthony Mangette. Mr. Mangette has served as Media Specialist/Librarian for past 22 years. He formed the boys' golf program at Mifflin two years ago, and is an amateur golfer himself. He has also coached basketball, baseball and tennis at various points in his career. We are excited to see where Anthony will take our boys' program over the next several years.

### Wall of Vistinction

This year's Wall of Distinction honoree is Maureen Ritchey, 2001. Maureen is a second-generation Hawk; her dad Pat Ritchey graduated in 1969.

After graduating from Hartley, Maureen attended Notre Dame as a Joyce Scholar. She double majored in math and psychology and went on to earn a PhD in psychology and neuroscience from Duke University. She has been an assistant professor at Boston College since 2016 where she directs a research lab dedicated to the study of learning and memory processes in the human brain. She also teaches and mentors undergraduate and graduate students in psychology and neuroscience.

Maureen says that, looking back at her time at Hartley, there are a few things that stand out as important for guiding her to where she is today. On the academic side, she says Hartley was where she really learned how to write. While she admits she probably didn't appreciate it at the time, the countless essays and revisions prepared her well for her college coursework and for the writing she does now as a scientist. She says that her math classes at Hartley were also exceptional; she liked math so much that she majored in it in college and now applies these math skills to analyzing data from her research studies.

Maureen appreciates that, at Hartley, community service was embedded in the curriculum. This left her with a strong sense that her work can, and should, positively impact the lives of others, which is something she has tried to carry with her into her research and the way she mentors students.

We congratulate Maureen for her success and this honor.

### Mary Geist Award

Each year, during our Catholic Schools' Week liturgy, we recognize someone who has gone above and beyond in service to Hartley with The Mary Geist Service Award. Mary Geist herself was the first recipient of this award in 2000 in recognition for her many years of service to our counseling department after her retirement from Columbus Public Schools. Our recipient this year is Mrs. Michelle Sauer. The Bishop Hartley Community has been blessed by Michelle's generosity as a sponsor of the Evening of Excellence since 2017. Guests at the auction enjoy delicious and beautiful desserts provided by Michelle and her business, Sauer Cakes. In addition, she has generously baked for Heart to Heart with Hartley, teacher appreciation activities, mentor group parties, and many teams and clubs. Those who attend Hartley events will attest to the beauty and deliciousness of her creations. We are so grateful that she shares her gifts and talents with us.

# Day of Preparation & Community

Day of Preparation and Community

This year, we held our revamped our Day of Preparation and Community on March 25. An idea born of requests from student leadership, this is a day for all students, freshmen through seniors, to experience essential life skills and be interactive with hands-on learning during our school day. The goal of this day is for each student to have the opportunity to participate in a variety of sessions focused on practical skills or activities an adult will encounter.

This day is sponsored by our House system, and most of the sessions were led by our faculty and staff. In accordance with our belief statements, we support a holistic approach to education that challenges students and prepares them for life. This day is an opportunity for all students to engage in life experiences with trusted and experienced adults.

During one of the two morning sessions, students participated in grade-level focused activities.

Seniors did a hands-on financial simulation; juniors listened to career speakers from a variety of professions, including several of our alumni; sophomores worked with our school counseling office to discuss current issues, and freshmen worked on individual and moral development through our continuing Freshman Academy. Throughout the day, each student also rotated through three life-skill activity sessions. Each student filled out an interest survey to determine which sessions he or she would participate in for the day. Thus, each student has had a voice in which life skills he or she would prefer.

Thanks to all our alumni who played a role!

"Let us thank the friends that have been by our side for the last four years. To those that have been both our shoulders to cry on after failing that chemistry test and our hands to grab on to when falling off shaky football bleachers, we thank you. We have formed bonds here that will last the tests of time and distance wherever our futures may take us.

"You give us 4 years and we'll give you 40." We have given the Bishop Hartley High School Class of 2022 our highs, our lows, our afternoons in SEEK, our game winning plays, our starring performances in a school musical, our friendships, our struggles, our extra hours fixing that drawing that hung in the display case, our McDonald's hashbrowns, and country music Thursdays with Mr. Krieger, our late nights before one of Mr. Kowalski's math tests on the phone comparing review problems, our hearts, and our souls.

Thank you, Bishop Hartley, for making me who I am."

(excerpts from Riley Mann's speech at the Senior Honors Assembly)

"We are the canvas of a Pollock painting; our personality and values constantly being altered by the paint dribbled on top. Sometimes I think: "if all these marks are on me, am I really my own person or just a reflection of everyone else?". But like a painting, the canvas doesn't change. The canvas is still underneath, our constant self, but how we present ourselves, our persona and personality changes. The same marks are going to look different on different canvases. The same events are going to affect different people differently. These marks we left on each other while here at Hartley will always be with us.

No matter how many marks there are, we can always be reinvented. We can repaint our own painting by choosing good people to surround ourselves with. Pollock himself said that "painting is self-discovery."

We have a divine painter watching over us, and none of those strokes placed on us are mistakes. They have their purpose, and they are pushing us towards the painting we are meant to be, who the divine painter wants us to be.

We are all part of each other's paintings; we carry each other with us. My marks on you might be covered up and forgotten, and vice versa, but even if I am not part of the final product, I can't wait to see how beautiful each of your paintings become."

(excerpts from Elayna Kebe's speech at Graduation)

"Our challenges and losses along with our successes have characterized us, turned our accomplishments and dreams into reality.

Principal Winters always stressed the importance of challenging oneself and to persevere.

Principal Kowalski's famous line is to always "be the best version of yourself." These are both good words to live by.

So here we are, four years later, all the highs and lows, the trials and tribulations that we each experienced, have now culminated to this point in our lives. Closing the book of our years at Bishop Hartley high school and opening a new book and starting with chapter one. It can be a time of uncertainty but one we should step into with excitement with all the new possibilities to come. We did manage to muscle through despite everything that had happened the past two years.

One thing is for sure - change - it is constant and hopefully we come out stronger and better. As we walk out these doors today let us be the best we can be and remember why we are here - Jesus!

I encourage all of you to seek God in everything you do, and to never give up on yourselves. In 1 Corinthians 10:13, Paul tells us, "God is faithful, and he will not let you be tested beyond your strength, but with your testing, he will also provide the way out, so that you may be able to endure it.

As we move forward with our new journeys, let us remember that God will not give us more than we can handle. "

On April 2, 2022, we hosted the 31st Evening of Excellence. This event, supported by our chairpersons, volunteers, sponsors, students, staff, and event attendees, resulted in a total amount raised of \$140,000! This entire amount will fund merit-based scholarships and need-based tuition assistance for Hartley students.

It was wonderful to see our community come together to support our school. We cannot thank you enough for all you do! Thanks to all alumni who participated!

# Evening of Excellence Legacy Award

This newly established award is given to someone who has given their time, talent and treasure to support the Bishop Hartley community.

The first recipients of the Leaders Legacy Award are Phil and Karen Page. Phil and Karen have been married for 29 years and have always been involved in their community - both running events and raising money. Their commitment to service in several Columbus area organizations has touched the lives of many.

They are active members of the St. Catharine community - coaching and chairing annual events. Phil was President of the Bexley Alumni Association and interestingly Bishop Hartley High School was not their plan. When their oldest daughter, Katie, 2017, chose Hartley, they immediately fell in love with the community and never looked back. This year their youngest, Allie, will be joining Katie and their brother Patrick (Paddy), 2020, as a Hartley Alum. Phil and Karen have been active through team dinners, athletic fundraisers, scholarship fundraisers, the Advisory Board, and the Athletic Board. They especially enjoyed working with the Development and Advancement Offices to execute the Evening of Excellence in 2018, 2019, and 2020. Phil and Karen are proud to be an integral part of establishing the Michael R. Winters Scholarship.

Phil and Karen instilled a passion for service in their children. Coupled with Hartley's pillars of service and community, this passion has inspired Katie, Paddy, and Allie to collectively contribute over 1,000 hours of service during their time at Hartley. Bishop Hartley is a better place because of the time, talent, and treasure Phil and Karen Page have bestowed upon our community. They are truly Forever Hawks.

# Founders' Day

On May 3rd, we celebrated Founders' Day with Mass. We were joined by special guests from both our first graduating Class of 1961 and our 50th anniversary Class of 1972. We invited grandparents of the Class of 2022 to join the celebration as well. Continuing our tradition of celebrating Hartley Legacies, we recognized those grandparents who are also alumni with a special group photo with their grandchildren. The Hartley Family Tree continues to grow branches.

We are looking forward to gathering again next Fall for our opening liturgy to begin our 66th year serving the Catholic Community on the east side. We look forward to growing in our faith and furthering our evangelization through engagement with our feeder parishes.

# With Gratitude

We have noticed tributes to Bishop Hartley teachers, coaches, and staff members who have made a significant impact on the lives of our alumni, and we thought this magazine would be a great platform for sharing them with others.

The first one is from
Barbara Curran
O'Connell, who shared
this about Sr. Ruth Ann
on Facebook. We are
printing it with her
permission. Please
share your tributes with
us through our alumni
updates page.

I've been reading these wonderful tributes written about many of our teachers at Hartley and wanted to share mine as well. My champion was Sr. Ruth who taught chemistry. Sad to say, I was caught cheating on an exam in her class and, rightfully so, was made an example of to my entire chemistry class. I was humiliated obviously and completely embarrassed. She wanted to speak with me privately (mind you I hated her class and could not really say I liked or disliked her); her private words changed everything for me.

She asked what I wanted to do in life; I told her I wanted to be a nurse but knew I probably couldn't (I failed chemistry for goodness' sake). The next thing she said was, whatever you do, you must work with people, you have a gift. Seriously? I was caught cheating, and you do not think I am a complete idiot?

Long story short, I went into Special Education, only to find out many years later I have a specific learning disability myself (that explained a lot). I taught LD students and then Behavioral Disorders and was the inclusion specialist for Westerville City Schools. In 1989, I was honored to be chosen Teacher of the Year. Not saying this to self-promote but to illustrate that the kind words of teachers can change the projection of our entire lives. Sr. Ruth did that for me. I never felt smart and didn't even think seriously about college but ended up visiting Ohio Dominican because it was a day off school. God was directing my path for sure. I know that now. Sr Ruth was right, turns out I was really good at working with people. I don't know how she came to that conclusion, but she saw something about me I did not know or, frankly, believe. We had such great leaders and examples of faithful men and women at Hartley. So proud to be a Hawk!
