

HAWKS WHO PRAY

Hawks Who Pray is a student prayer group that meets weekly in the school chapel.

The purpose of Hawks Who Pray is to foster a community of faith by teaching students to pray in small groups on a regular basis.

At Hawks Who Pray, students read Scripture, share personal testimonies, pray for classmates, friends, family, and our school; and, participate in service projects with one another.

*"Build each other
up in faith,
and pray in
the power of the
Holy Spirit."*

—Jude 1:20
