

NATIONAL HONOR SOCIETY

The Bishop Hartley Chapter of NHS is composed of some of the most accomplished and respected students in our school, and these individuals bring with them all of their different talents and interests.

Most of our members are involved in a multitude of other activities - from athletics and school leadership roles, to community service organizations and faith-based commitments in their parishes.

Each year brings the opportunity for members to share their passions with the rest of the chapter as we plan and implement service projects.

Students inducted into NHS continue to be held to a high standard.
They must maintain scholastic excellence while acting as
visible leaders within the school.

Students have the opportunity to work directly with faculty to take
on more leadership roles in the school, helping them be even better
prepared for the opportunities they will
encounter in college.

Rising juniors and seniors who meet the academic criteria of a
minimum 3.5 cumulative GPA are invited to submit additional
information and be evaluated by the Faculty Council.

If the Faculty Council decides, by majority vote, that the candidate
has demonstrated exceptional service, leadership, character, and
scholarship, the candidate will be invited to be inducted into NHS.
