

SKI CLUB

Shred the gnar!

Ski club is a fun, exciting, and active approach to enjoy the winter months. Students can ski, snow-board, or choose to do both. No prior experience is necessary and if they choose, they may take a lesson each week to learn a new skill or expand on their current ability level!

Students choose a season pass to Snow Trails that suits their needs with or without equipment rental.

Hartley takes a weekly trip beginning in January and typically goes on Wednesday evenings after school for 5-7 weeks.

MORE ABOUT SKI CLUB

Students enjoy carving up the mountain and also warming up next to the fireplace in the lodge with their friends eating dinner or enjoying a warm cup of hot cocoa!

Ski club is a great chance to engage in a true lifelong activity that can take you places on winter breaks and vacations that include large scale ski re-sorts and major mountains. Use your skills, see some spectacular mountains and enjoy the winter months!
