

BATTLE OF THE BOOKS

Battle of the Books is a club designed for avid readers who are looking for a way to show off their literary abilities.

The Battle of the Books Team competes against other high schools in a Quiz Bowl style tournament that features questions from a selection of books.

Students in the club read a portion of a set list of 25 books in preparation for the tournament held in the spring. Questions are typically based on plot, character, setting and theme.

Battle of the Books is open to all students who have a passion for reading and competition. Our group typically meets weekly in preparation for our big tournament in April.
