

# ULTIMATE FRISBEE

At Bishop Hartley, Ultimate Frisbee is a co-ed sport that focuses on hard work, technical skill, and good spirit.

---

Ultimate resembles many traditional sports in its athletic requirements, it is unlike most sports due to its focus on self-officiating, even at the highest levels of competition. This concept, called Spirit of the Game, is integrated into the basic philosophy of the sport, written into the rules, and practiced at all levels of the game from local leagues to the World Games.
