

Changes to the Service Tracking Program for 2023 – 2024 School Year

Service Verification program switching from x2Vol to MobileServe for the 2023 – 2024 school year.

- x2vol Accounts will not be used after this school year, and all previous service information will be transferred to MobileServe for the students. All service for current students will be up to date.
- Students will receive their account information at the beginning of the school year.
- They will be shown how to log their hours, and access service opportunities through the MobileServe App.
- Summer service activities will be logged when we return to school.
