

Healthcare Services For Diocesan High School Students

Did you know?

Students can receive their routine vaccines and other healthcare services at school.

Are you interested in your student being seen at the doctor's office located at St. Mary?

Please reach out to the Diocesan Wellness Coordinator at **614-938-1211 to schedule an appointment!**

YES! I am interested in my student being seen at the Nationwide Children's Hospital School-Based Health Clinic **AT ST. MARY SCHOOL GERMAN VILLAGE** for the following services (check all that apply):

- Routine Vaccines
 - **12th grade required vaccines:** Meningococcal (meningitis)
- Well-Child Visit (annual checkup)
 - Incoming 9th graders are **required** to have a comprehensive physical prior to attending high school in the fall
- Sports Physical
- Work Permit Physical
- COVID-19 vaccine and booster

*Please complete attached consent form and return to Wellness Coordinator at legruesen@scprep.org. The services provided are not meant to replace your pediatrician or family doctor. When you have any medical need, your first call should always be to your pediatrician or family doctor who knows you best. Just like a doctor's office, we accept Medicaid and other insurance. No child will be denied care due to inability to pay for services.

NO! My student will receive required vaccines and other healthcare services from our family doctor or another location of my choice.

UNSURE I am unsure and would like to learn more about the services available to my student.
